Content:

The Management Board of Lubelski Węgiel Bogdanka S.A. ("Company") hereby reports that on 17 April 2026 it became aware of the preliminary financial results of the LW Bogdanka Group for the first quarter of 2026 (Q1 2026) and decided to make them public:

Consolidated financial results of the LW Bogdanka Group for Q1 2026:

Net sales revenue: PLN 702.6 million

EBITDA: PLN 25.2 million

Negative EBIT: PLN 24.8 million

Net loss: PLN 22.1 million

Commercial coal production in the period under review amounted to 2.04 million tons, and sales 2.08 million tons, while in Q1 2025 it was 2.65 million tons and 2.24 million tons, respectively.

The results for the current reporting period were significantly affected by lower coal prices on the domestic market, which directly translated into reduced prices of thermal coal sold by LW Bogdanka. Additionally, the Company recorded a lower volume of coal sales compared to the corresponding period of the previous year.

The final results will be presented in detail in the Consolidated Quarterly Report of the LW Bogdanka Capital Group for the first quarter of 2026, the publication of which is scheduled for 20 May 2026.
