

Sławomir Krenczyk

He gained managerial experience in public companies, as well as managing foundations and projects. At the level of representation bodies, he was responsible for legal and organizational, communications and marketing, and development areas, among others. He has held directorships and management positions in public companies in the areas of communications, marketing and community relations. As part of his business activities, he has implemented consulting and training projects for local and international entities in the energy and raw materials industry.

He was responsible for the energy and climate program of the Warsaw Security Forum, coordinating high-level experts from Poland, the US, the EU and Ukraine. He has authored and co-authored reports and publications on the energy transition, and has participated in public industry debates. In the debates, he points in particular to the importance of aspects of industrial competitiveness and security of energy supply.

In 2015, he was a member of the project team responsible for the acquisition of a controlling stake in LW Bogdanka by Enea S.A. On the parent shareholder side, he was responsible for the processes of integrating the mining company into the energy and resources group. In 2019-2020, he served as Bogdanka's Management Board representative and as the company's public relations director.

He graduated from the Faculty of Law at the Catholic University of Lublin, and completed postgraduate studies at the Warsaw School of Economics (SGH), the University of Commerce and Services (WSHIU) in Poznań (Executive MBA) and the University of Social Sciences (SAN) in Łódź (doctoral seminar). He has experience as a company spokesperson and university lecturer. He is preparing his doctoral thesis in the field of quality and management science.
