

## **Krzysztof Gigol**

Krzysztof graduated from the Management Faculty of Kozminski University in Warsaw. He also earned a postgraduate Master of Business Administration degree, having completed the studies at Warsaw School of Administration and Management with top grades.

He boasts many years of practical experience in developing strategies for sales and business growth, as well as in management of teams in energy and industrial sectors. He has successfully designed new structures of organisations and implemented their restructuring processes. Since 2011, he has been involved in heating plant upgrades, as well as investments in cogeneration systems and renewable energy. He implements long-term projects in the field of industrial power generation and in companies owned by local governments.

Krzysztof Gigol has been a member of Management Boards and held high-level managerial posts in power companies such as Gaspol Energy, Energia Polska, Cogen Energy, and Energa Obrót.

He is an expert in the field of energy efficiency and independence, renewable energy sources and low-emission energy and heat generation. His involvement in social matters includes cooperation with Forum Rozwoju Efektywnej Energii, where he served as expert consultant, and PROZON Foundation for the Protection of the Ozone Layer, where he held the position of Deputy Chairman of the Management Board. He authored numerous articles and publications on energy and the energy security of Poland.
